

The Gathering Place: Community Agreement

We serve women, transgender and non-binary people and their children. If a *cisgender* man came with you to The Gathering Place, we ask that he waits off property while you are receiving services. *Cisgender means that whatever gender you are now is the same as what was assumed at birth.*

In order to keep this a safe and welcoming space, members of our community agree to:

1. Respect cultural backgrounds, race, status, gender expression and identity, sexual orientation, age, and beliefs of others.
2. Treat all people in our community with respect. Refrain from using disrespectful or discriminatory language or actions.
3. Maintain a weapon free environment. Weapons are not allowed on site.
4. Maintain a drug free environment. Alcohol, marijuana and illegal drugs are not allowed on site.
5. Promote a safe environment. Please do not put the physical or emotional safety of our community, another individual or yourself at risk.
6. Respect our inside and outside space by keeping it clean, hazard free and keeping noise to a minimum. Being on property outside of business hours is not allowed.
7. Uphold confidentiality.
8. Only bring legally recognized service animals on property and stay with them at all times.
